Product information

Our best selling high visibility sweatshirt design is available in these two-tone colour combinations. Constructed from superior brushed polycotton fabric, this stylish alternative is ultra-soft yet extremely durable, providing optimum comfort for the wearer.

High Visibility Sweatshirt Range 65% Polyester 35% Cotton

Our high visibility sweatshirts are made from a special blend of 65% polyester 35% cotton with a brushed back for extra warmth and comfort. The fabric provides breathability and flexibility combined with superior strength and durability and is manufactured to withstand the most rigorous working environments.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
